PRESS ATTENDANCE

ICFF exhibitors benefit from a year-long public relations and attendance marketing campaign that reaches the architects, interior designers, developers, and retailers, who drive the \$6 billion high-end interiors marketplace in North America.

With regard to press coverage, ICFF is probably the best covered show in the USA. It is an absolute MUST for all mainstream media including trade and specialist magazines, the lifestyle and interiors press but also the special sections of America's most renowned newspapers like the New York Times, the Washington Post etc.

In addition to the international press from the Americas, Europe and Asia, the amount of social media coverage on a global scale is second to none for an American trade fair.

A selection of regular press attendees is listed below:

Apartment Therapy, The Architect's Newspaper, Architectural Digest, Architectural Record, Architonic, Associated Press, Azure, BBC, Bloomberg, The Boston Globe, California Home + Design, CBS, Chicago Tribune, CNBC, CNN, Contract, Cool Hunting, Core77, Design Milk, Details, Domus, Dwell, E!, Elle Décor, Financial Times, Forbes, Frame, GQ, Harper's Bazaar, Hospitality Design, HGTV, The Huffington Post, Interior Design, Interni, Intramuros, Los Angeles Times, LUXE Interiors + Design, Metropolis, Miami Herald, NBC, New York Post, The New York Times, San Francisco Chronicle, Vogue, The Wall Street Journal, Wallpaper, The World of Interiors

THE BEDG @ ICFF

The British European Design Group first showed a contingent of cutting-edge designers from Great Britain at the ICFF in New York in 1994

One year later, in 1995 the BEDG became the sole Accredited Trade Organiser (ATO) for the UKTI United Kingdom Trade & Investment TAP – Trade Access Programme – today Trade Challenge Partner (TCP) for the DIT (Department for International Trade).

Since then the BEDG has built up this lead fair in the USA and the Americas to be the largest single national contingent to exhibit at the ICFF without interruption for nearly two and a half decades!

The BEDG has procured far in excess of 1000 TAP grants for British and British based SMEs in the creative industries to participate at the most important trade event for interior design products and services in the Americas.

For the design-led British SMEs – design studios, designer makers, product design professionals – participation at the ICFF gives them the ultimate exposure to the very important audiences of the US and Canadian architects, interior designers, specifiers, developers and manufacturers interested in commissioning bespoke products for individual contracts or design consultancy services.

**BEDG CONTINGENT SPACE @ ICFF /
NOW OPPOSITE MAIN ENTRANCE
HALL 3-D - AISLES 1033 & 1133**

Due to the recent rapid expansion of the fair, which can no longer be accommodated by the existing lower level space, the ICFF will move from lower Level 1 to the MAIN LEVEL of the Javits Center in 2017.

As the BEDG contingent has always attracted huge audience and press interest, the ICFF Fair Organisers, Emerald Expositions, have granted us the most prominent key location in the new space – immediately in front of the MAIN ENTRANCE of HALL 3 D.

PLEASE SEE LINK

<http://s15.a2zinc.net/clients/emeraldexpo/icff2017/Public/floorplan.aspx?ID=4772&sortMenu=104000>

Also please see the new floor plan below:

The new space is ideal for our stand configurations and our range of products, especially lighting, as it is still within the lower ceiling area of the main level and not in those sections that have a much higher ceiling height and are therefore exposed to much more daylight coming in from the glass structure.

IMAGE GALLERIES BEDG CONTINGENTS @ ICFF

For a first overall visual impression of the BEDG contingents and individual stands please also look at the BEDG website :

www.bedg.org-Events-ICFF2014/15-Galleries

Despite the fact that we are now in Hall 3-D on the Main Level, the stand construction will not change.

The images give an excellent idea of the construction and look of 50 sq ft (aisle 1133) and 100 sq ft (aisle 1033) stands, good examples of simple yet efficient stand designs, placement of BEDG and individual company vinyls, walls and carpets and the birch floor covering the bigger 1033 aisles.

STAND INFORMATION

The ICFF shell system was completely modernised a few years ago. It is sleek, modern and very well suited for the display of the entire range of interior design products.

The 50 sq ft stands are particularly suitable for wall paper and textile displays due to the height and length of the walls

PLEASE NOTE :

ICFF/BEDG STANDS ONLY COME IN CONFIGURATIONS OF 50 sq ft,

For the 10' deep aisles this means for example:

100 sq ft = 10' deep x 10' long
150 sq ft = 10' deep x 15' long
200 sq ft = 10' deep x 20' long

STANDARD 10' – 100 sq ft STAND

Height of Shell System	3 m
Length (inside Dimensions excl. Panel Width)	2.94 m
Depth (inside Dimensions excl. Panel Width)	2.99 m

STANDARD 50' – 50 sq ft STAND

Height of Shell System	3 m
Length (inside Dimensions excl. Panel Width)	2,99 m
Depth (inside Dimensions excl. Panel Width)	1.48 m

- **100 SQ FT + AISLE STANDS** have a finished light birch platform floor
- **100 SQ FT + AISLE STANDS CAN request black carpet instead of birch flooring.**
However, participants please note that this can cause problems if cables running from power outlets in the hall floor have to be provided for the stand
- **BEDG 50 SQ FT ISLAND STANDS all have black carpet.**
This CANNOT be changed into birch platform flooring

This configuration is only available at the ICFF to BEDG exhibitors

Exhibitors please note:

For 100 sq ft two or three side open stands supporting walls of 0.50 to 1.00 m will be required to stabilise the open walls for safety reasons.

VERY IMPORTANT

VISAS

It is imperative that exhibitors ensure that they have a valid visa to enter the USA.

Any problems arising from visas for individual participants will NOT invalidate the legal obligation to pay BEDG Service and Stand Fee once the BEDG Space Requirements Form has been signed as a legally binding document.

PARTICIPANTS are therefore recommended to check whether or not they may have problems obtaining a visa given the present situation in the USA.

BOOKING AND CANCELLATION OF SPACE

BEDG SPACE REQUIREMENT FORM

- Space is booked by completing, signing and returning the BEDG Space Requirement Form
- THE SIGNED BEDG SPACE REQUIREMENT FORM CONSTITUTES A LEGALLY BINDING CONTRACT BETWEEN THE BEDG AND THE SIGNEE
- NO CANCELLATION IS POSSIBLE AFTER A PARTICIPANT HAS SIGNED THE BEDG SPACE REQUIREMENT FORM

IN CASE OF CANCELLATION OF PARTICIPATION ON THE PART OF THE SIGNEE, BEDG WILL STILL BE ENTITLED TO THE FULL PAYMENT OF THE BEDG SERVICE FEE, STAND COSTS AND COSTS FOR OTHER GOODS AND SERVICES ALREADY ORDERED (such as electrics etc from the Jacob K. Javits Convention Center, NY)

PAYMENT TERMS AND CONDITIONS

PAYMENT DUE DATES

BEDG SERVICE FEES, STAND COSTS AND ELECTRICAL ORDER INVOICES BECOME DUE AS STIPULATED IN THE INVOICES.

The BEDG is a not-for-profit, non-commercial organisation with NO OUTSIDE FUNDING, be this government, corporate or otherwise.

In order to reserve this prime space at the ICFE the BEDG has to commit to Emerald Expositions months before the actual event.

The BEDG does this at its own and very considerable financial risk.

The BEDG must therefore insist on full payment of all invoices within the stipulated deadlines unless otherwise agreed with the BEDG

CURRENCY ADJUSTMENT

Due to heavy currency fluctuations in the £/US\$ ratio the BEDG reserves the right to adjust the rate of exchange for payments in US\$ to America at a later stage and to demand reimbursement for such adjustments from participants, if and when required.

BEDG SERVICE FEES

The BEDG Service Fee is charged with 20% VAT to exhibitors and becomes payable when returning the BEDG Space Requirements Form independent of whether the exhibitor is a recipient of a TAP grant or not.

$$£ 200^* + \text{VAT} = £ 240$$

*For the first time in 20 years the BEDG recently had to raise the Service Fees as the cost of administration as well as office overheads have risen steeply in the last years. However, the BEDG Service Fee is still amongst the lowest in the UK.

BEDG EXTRA COSTS

To give new participants an idea of extra costs to be reimbursed to the BEDG after the event, the additional costs per participant for

- Bank charges of BEDG prepayments to ICFF on behalf of participants
- Design and printing of the A3-four colour 4 page BEDG leaflet 'FOLLOW THE TREND'
- Obligatory BEDG vinyls and DIT stickers
Companies can use their own vinyls and logos but need to reserve a 40 cm wide full height strip on the outer side wall for the BEDG company vinyls, which identify the contingent stands

BEDG BREAKDOWN OF COSTS

Participants in the BEDG Contingent as well as independent participants receive a detailed and complete breakdown of costs incurred on their behalf before, during and – if relevant – after the fair.

ELECTRICAL ORDERS

In general any extras other than power, multiboxes, spotlights, par-cans will have to be ordered and paid for by exhibitors direct to the ICFF service providers.

SEE ALSO:

Regular BEDG E-Circulars to BEDG Contingent participants during the preparation for the fair.

However, to help facilitate complicated ordering and payment procedures and to benefit from the discounted advance rates for some of the extras for the BEDG Contingent stands, the BEDG undertakes a certain (but not all) amount of pre-ordering and prepaying on behalf of Contingent participants.

This does not, however, constitute any legal entitlement on the part of participants to this voluntary BEDG service.

An order form for electrics and power requirements will be sent to participants for immediate completion.

PAYMENTS FOR ELECTRICS

Please note:

All orders for electrics including

- Spotlights
- Par-cans
- Power outlets
- Extension leads, multiboxes etc

MUST BE PAID separately upon RECEIPT OF INVOICE

The BEDG charges the net preferential advance order prices only.

- **This makes it imperative that deadlines for submission of participants' orders must be adhered to**
- **Late orders will be charged AT FULL PRICE BY THE JAVITS CENTER**

The BEDG will render applicants new to the procedure all necessary support and assistance to better understand the application form and to ensure correct completion.

INDEPENDENT COMPANIES SECURING SPACE AT ICFF

Companies intending to exhibit independently, who have not made arrangements with ICFF to secure a space are advised to do so as early as possible.

Once space has been RESERVED, companies should contact BEDG immediately to apply for TAP funding,

Provision of grant will be subject to eligibility and availability.
